

These are very trying and difficult times. We hope all HoopDome patrons remain safe.

We will get through this and back to normality at some point. This is a fluid situation, but I want to advise all players that we will pick each league up exactly where we have left off. Whenever we get the green light to re-open, we will do it. We will be back!

When you come to HoopDome, you better bring your game!

Sincerely,

Ted Badner
President - Director of Operations
HoopDome
